Reimagining Aging: Finding Joy, Purpose, and Possibility After 50

The years ahead can be some of our most meaningful—especially when we rewrite the limiting stories our culture tells us about aging. We're not here to tell you how to age well. We're here to share what hundreds of women have shown us about living vibrant, purposeful lives after 50—and well beyond.

The FLAMES Framework: Six Cs for Vital Living

Let's talk about redefining aging on your own terms. Drawing on insights from hundreds of conversations with women over 70, together we'll explore how six pathways can spark possibility, deepen connection, and support a life of meaning and fulfillment at any age. Bring your ideas, experiences, and curiosity.
